

"Mrs. Meers (*Irene Karas Loeper*), the proprietress, is a strange one: she has chopsticks in her chignon, wears oriental garments and speaks with a fractured Chinese accent except when she's on the phone."
..."*Karas Loeper* is shameless in the role and pulls out all the stops with her Merman-style "Muqin"."

- Jo Ledingham, *Vancouver Courier*, *On the Scene*

"Mrs. Meers's performance of Chinese-ness is as broad as Mongolia." "...*Karas Loeper's* performance is hilarious - big, but playful and precise."

- Colin Thomas, *The Georgia Straight*
