

WE DON'T JUST WORK YOUR PARTY...

... WE JOIN IT!

Let's be real — the best moments happen when the camera's not expected. That's why we blend in as a guest, help elevate the vibe, and secretly (or not-so-secretly!) capture the real behind-the-scenes magic!

From candid laughs to champagne pops, we'll be there — as a friend, a vibe curator, and your memory maker!

What you get!

- ✓ **Behind-the-Scenes Filmography**
 - Raw and real party energy
 - A selfie wall for selfie photos and fun
 - Mobile and pro-cam options
- ✓ **Candid Photography**
 - You + your guests looking their best
 - No stiff poses — just fun, love, and good vibes
- ✓ **Guest Vibes, Pro Quality**
 - We dress the part, join the party, and become one of the crew
 - Keeping it natural, fun, and never in-the-way

Why this works!

*People are more relaxed when we are
“just another guest”...*

No pressure, no awkward camera moments...

*Perfect for birthdays, house parties, brand
events, engagement parties & more!*

How it works!

1. Invite us as your guest (Me +1 team member on the list)
2. We vibe, shoot, and celebrate alongside your people
3. You receive a beautifully captured highlight reel & photo set of your night

Be present in your party — We'll make sure the memories last forever!
